Dear Business Owner and Rim Band Supporter

The Rim Instrumental Music Parents Association and Rim Band Boosters (RIMPA/RBB) are sending you this letter and copy of our 2008-09 Directory to ask you if you would be interested in advertising in the 2010 Directory of Community Business & Services. Due to state budget cuts, school districts are hit hard and at times forced to cut programs such as music. Rim of the World Unified School District is not exempt from this dilemma. Because of these circumstances RIMPA/RBB is asking parents, local businesses and the community for support of the Rim of the World High School band program, through this Business Directory.

Your generous support will provided uniforms, instruction, musical instruments, competition fees, food and water, and transportation to and from events across the state and even across the country! Some of the events the band performed in this past fall are...

UCLA Band Day at the Rose Bowl

Route 66, Tustin Tiller Days, Placentia Band Review and Blue Jay Christmas Parades

Main Street Parade in Disneyland

Plus, some of the events planned for this coming year are...

Perform at Magic Music Days at Disney World, plus an adjudicated Music Festival at a local High School or College, including tours of Universal Island of Adventure, Animal Kingdom, Hollywood Studios and the Kennedy Space Center all in Orlando, Florida during Spring Break 2010

Cuesta College Jazz Festival in San Luis Obispo

Jazz Band Performance at the Carnation Plaza in Disneyland, Anaheim

and numerous music festivals for Wind Ensemble and Jazz Band

Mr. Lees and his talented students are very busy and work very hard to earn top honors at many of their performances. Help them to continue the opportunity to perform and play great music.

Please take a moment to fill out the enclosed advertising space form. Dedications to band kids from family members or loved ones are welcomed, too.

Together, we can ensure the success of our Band Program. You can mail your renewal form to RIMPA/RBB, P.O. Box 644, Blue Jay, CA 92317-0644. For questions, feel free to call Rim Band Booster President, Marquita Foster, at 909.867.4374

Thank you for your support!
